

Technical Data Sheet

Item Name: p-Arsanilic Acid

CAS #: 98-50-0

Typical Physical and Chemical Properties:

| <u>Attribute</u> | <u>Typical Value</u> |
|------------------------------------------------------------|----------------------|
| Appearance | White Crystals |
| Content, % | ≥98 |
| Inorganic Arsenic, as As ₂ O ₃ , ppm | <250 |
| Weight Loss on Drying, % | <1 |

Storage Conditions:

Store in tightly sealed bags at ambient temperatures

Shipping Class:

Hazardous material, UN3465, Class 6.1
